## Saab signs support agreement for airborne surveillance systems

The defence and security company Saab has signed a support contract for airborne surveillance systems. The contract is valid for 2016-2017 and the order is valued at MSEK 200.

The industry's nature is such that due to circumstances concerning the product and customer, further information about the customer will not be announced.

The contract concerns support and services for a previously delivered system of Saab 2000 AEW&C, Airborne Early Warning and Control. The Saab 2000 AEW&C comprises of Saab 2000 aircraft equipped with the advanced Erieye radar system and ground equipment.
